EDUCATION

University of Southern California, Marshall School of Business

Bachelor of Science, Business Administration (Emphasis in Marketing) – STEM Designated

Los Angeles, California

August 2022 – May 2026

Relevant Coursework: Consumer Behavior, Marketing Fundamentals, Marketing in the Entertainment Industry, Statistics, Finance, Strategic Management.

EXPERIENCE

The Standard Los Angeles (Landmark Properties)

Los Angeles, California

Leasing & Marketing Professional

February 2026 – Present

- Manage the full leasing cycle by generating leads, conducting property tours, communicating housing contract details, maintaining prospect follow-ups, and utilizing Entrata to support occupancy goals and conversion efforts.
- Execute integrated marketing and resident engagement initiatives through social media promotions, email and text campaigns, on- and off-campus events, and Residence Life programming to strengthen community participation and brand awareness.
- Support community operations and resident experience by addressing resident concerns, maintaining detailed records and leasing metrics, coordinating maintenance and package requests, and ensuring compliance with Fair Housing standards and company policies.

RELIST

Remote

Marketing Intern

March 2026 – June 2026

- Produced and managed digital marketing content across multiple campaigns, leveraging Gen Z trends and consumer insights to promote RELIST's fashion resale platform, sustainability initiatives, and peer-to-peer marketplace value proposition.
- Collaborated on ambassador programs, university outreach, and partnership initiatives to expand community engagement, strengthen brand visibility, and cultivate relationships with target audiences across college campuses.
- Supported growth initiatives that contributed to a substantial increase in marketplace activity, helping evolve RELIST from a platform with limited listings into an active, continuously scrollable feed of user-generated inventory and user participation.

T7X

Remote

Marketing Intern

May 2025 – August 2025

- Produced and published 20+ digital content pieces (reels, carousels, interactive stories), growing T7X's Instagram following by **40%** and driving an average engagement rate of **12%**, positioning the brand as an approachable voice in Web3.
- Researched, wrote, and optimized 8 long-form SEO articles on crypto trends and fintech, increasing organic website traffic by **55%** and contributing to a 20% rise in qualified lead conversions.
- Conducted competitor benchmarking of 15+ leading crypto/finance creators across Instagram, LinkedIn, and Twitter; applied insights to refine content calendar, boosting audience reach by 35% and impressions by **50%**.

LEADERSHIP AND INVOLVEMENT

USC CHAARG

Los Angeles, California

VP Membership

August 2025 – May 2026

- Spearheaded recruitment from 0 to **140+ members** by designing and executing tabling strategies, info sessions, and involvement fairs, establishing CHAARG as one of USC's fastest-growing student wellness communities.
- Led membership operations and communication systems across Slack and Gmail, guiding an executive team to deliver 15+ community events and wellness initiatives that significantly boosted member retention and satisfaction.

Conaxion, South Central Business Builders Program

Los Angeles, California

Volunteer Consultant

August 2024 – April 2025

- Conducted in-depth business diagnostics for underserved local entrepreneurs by analyzing current operations, marketing strategies, and financial performance; identified actionable growth opportunities across key business areas.
- Facilitated one-on-one mentoring sessions with early-stage business owners, guiding the development of strategic business plans, brand positioning, and customer engagement initiatives to support long-term growth.
